

## **Shared Memorials at the Great Stupa**

### **Stupa Memorials (the top rows of our memorial walls). Stupa Memorials receive an oval shaped bronze plaque.**

You can either have one wall space to share, or have two wall spaces next to each other. Our current wall spaces are 150mm (W) x 115mm (H) x 255mm (L). You're welcome to place whatever you like into the wall, whether it is ashes, photos, etc., but it just has to fit into the space provided.

- If you decide to share a wall space then you can both be placed in together once you have both passed and share the one plaque. You may not be able to fit the entirety of both of your ashes into this space, however you may like to only place some of your ashes here, and either scatter the rest, or a loved one may like to hold onto them. Everyone has different views in regards to keeping their ashes together or not, so it's a completely personal choice. This option will cost you \$2,750.
- If you decide to have two spaces next to each other, then when one of you pass your ashes can be placed straight away, and the space next to your memorial will be reserved for your partner. With this option you will both have your own wall space and your own plaque. This option will cost you 2 x \$2,750 = \$5,500.

### **Wall Niche Memorials (the lower rows our memorial walls). Wall Niche Memorials receive a rectangular shaped bronze plaque with an optional bronze vase attached for an addition \$85.**
